

LIPS INSTITUTE

The right time, the right place, the right tool!

Lips-institute.ch is a new and unique website – in memorial of Ferdinand Lips. - with a lot of information about his thoughts, his knowledge and experience.

His articles, speeches, books are now collected on one site with the goal to inform internationally, exchange different opinions between interested people and build up the interaction between private investors, institutional investors, mining companies, opinion leaders and universities.

Your benefits

- Improve your recognition among private and institutional investors in Switzerland, Europe, worldwide
- USP -> There is only 1 website with all the information about Ferdinand Lips
- A partnership comprises a banner which is hypertext linked to your website.
- Visitors are encouraged to visit your website with the link
- Combine knowledge and information
- High quality and professionalism
- Website in 2 languages
- Only a limited number of banners available
- “First come, first serve”

Present you company easily with a banner of your company!

Please just fill in the form and send it to info@lips-institute.ch. Thank you!
